Kirby Pillow Directions

Step 1: Piecing the Kirby Design:

   For the Kirby design, the measurements and examples for cutting the pieces are in a chart below. Pieces that are not on this chart will be labled on the diagram that shows the seams and order. The sizes listed on the next page is the size to cut. All seam allowances are 1/4"

Description	Size to Cut	Size after you sew it	Example at actual size
One Pixel	1"x1"	1/2"x1/2"	
Two Pixels	1x1.5"	1/2"x1"	
Three Pixels	2"x1"	1.5"x 1/2"	
2x2 Pixels	1.5"x1.5"	1"x1"	

*Diagram for how to piece the Kirby design is on the next page.

2. Once the Kirby design is pieced, sew both side panels (found on page 4) to each side of Kirby.

3. Attach the top and bottom panels.

4. Place the Kirby design (with panels) right side facing right side, on the back pieces of the pillow (on page 5). Sew together almost all the way around leaving an open space on one side.

5. Turn the pillow right-side-out (using that opening)

6. Stuff the pillow through the opening.

7. Once the pillow is stuffed, fold over the 1/4" seam allowance on the opening and sew it closed with the raw edges inside.
